12FM7 Industrial Batteries

Model: 12FM7(24V7AH)

Model Name: Valve Regulated Lead-acid Battery

Rechargeable and non-spillable Battery

Battery Type: Industrial Batteries

Battery Size: 187x102x94mm

Rated Capacity: 7Ah

Rated Voltage: 24V

Weight: 4.07KG (±3%)

Chemistry: Lead (Pb,PbO_2,$PbSO_4$)

Manufacturer: SHANGHAI XINLEINA BABY CARS ACCESSORIES CO., LTD.

Address: Zhenlv Industry Area, Lüxiang Town, Jinshan District, Shanghai City, China, Post Code:201517

Email: sales@xlnbattery.com Phone: +86 021 57375252

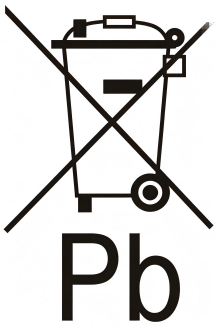

⚠ **WARNING:**

To reduce risk of fire or burns, do not open, do not disassemble, do not crush, do not puncture,

do not dispose in fire or water, do not short external contacts. Fire can be put out with a fire extinguisher.
